

Notice to our customers in accordance with the Packaging Act

In accordance with the Packaging Act, we are obliged to take back packaging that is not subject to system participation within the meaning of **§ 15 Paragraph 1 Sentence 1** of the Packaging Act and to ensure that it is reused or recycled.

The following packaging is covered by this:

- Transport packaging (transport packaging is packaging that facilitates the transport of goods in such a way that their direct contact and transport damage are avoided and is typically not intended to be passed on to the customer).
- Sales packaging and outer packaging for which participation in the system is not possible due to the risk of pollutants and/or health hazards during recovery.
- Sales packaging of pollutant-containing products.
- Reusable packaging (reusable packaging is packaging that is designed and intended to be reused several times for the same purpose after use and whose actual return and reuse is made possible by adequate logistics and promoted by suitable incentive systems, usually by a deposit).

The place of performance for the return of the packaging is 79618 Rheinfelden (Großmattstraße 12). The costs for the return shall be borne by our customer.

For further clarification of the return, please contact us at the e-mail address *info@cvS-eng.de*.

Thank you very much!
